

Library Wins National Design Award

The Deschutes Public Library was awarded the American Library Association's 2008 "Best of Show" Award for Young Adult Reading Club material on Sunday, June 28 in Anaheim, California. The "Best of Show" awards recognize the very best public relations materials

produced by libraries across the United States and Canada during the past year. The Deschutes Public Library competes with library systems in New York, Chicago, Toronto, Los Angeles, and San Francisco. It is truly impressive that Deschutes, with its one-person graphic design department, fared so well. Congratulations to graphic designer, Ann Hettinger, for her impeccable design work and humble spirit. Ann designed the award-winning quarterly Teen'Zine. Kudos to the Deschutes Public Library's teen librarians, Colleen Galvin, Linda Olson, and April Witteveen, who provided content for the successful teen magazine.

Sharon Hildebrand Retires

La Pine Branch Supervisor leaves after 18 years

After 18 years of service, the La Pine Public Library bids a fond farewell to Sharon Hildebrand, Branch Supervisor. Sharon will retire on July 31 to embark on a life of leisure! However, she will remain involved with the La Pine Public Library as she takes on her new role as the Chair of the Friends of the La Pine Public Library.

To thank her for her dedication to the community, the Frontier Days organization chose Sharon as the Grand Marshall of the Frontier Days Parade, which took place on July 4th.

Please join us at the La Pine Public Library on Wednesday July 30 at 1pm as we celebrate Sharon's retirement, and thank her for all she has done for the library and the La Pine. She will be missed!
