Getting Help with CultureGrams

CultureGrams is primarily a browsing collection. It is just a simple matter of pointing and clicking to the correct country or state report. If you use the Search function, click on **view searching rules** for details on entering search terms.

Locating Country, State, or Province Reports

- Click on the graphic for the World, Kids, States or Provinces edition.
- Click on the map(s) until you get to the report for your selected country, state, or province.
- The initial page is a snapshot of the country, state, or province with links to a map, the official flag, the national anthem or state song, current time, a currency converter, recipes, and short biographies of famous people. Note the menu to the left for additional topical information.
