Getting Help with Global Road Warrior

Global Road Warrior is primarily a browsing collection. It is just a simple matter of pointing and clicking to the correct country or state report.

Search Options

- Select a Country by clicking on the name of the county in the dropdown menu for Option 1.
- Search ALL countries for a particular topic by typing in words or phrases and clicking on **Go!** for Option 2.
- Search a single country for a particular topic by typing in words or phrases and clicking **Go!** for Option 3.
- Select a region on the world map. At the next screen, select a country or a resource using the dropdown menus.

Navigating Country Information

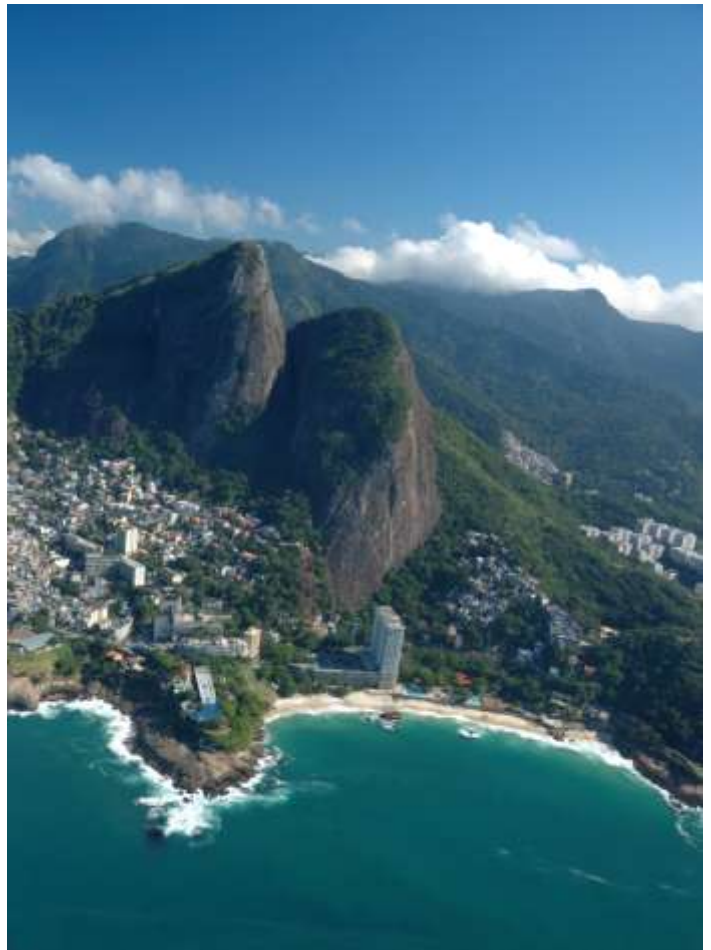

Once a country is selected you are presented with basic country information and a menu of other topics to the left. Hovering the mouse over most of the menu topics reveals subtopics. Click on a topic or subtopic for additional information. Note that you may select another country using the dropdown menu in the upper left of the screen.
