

HOW TO:

Get the Most Out of Hoopla

Use Hoopla to access digital video (movies and TV shows), music, audiobooks, eBooks, and comics/graphic novels. You can borrow content immediately, with no wait lists, as items are always available and are returned automatically.

TV Shows and Movies

- Can be checked out for 72 hours
- Some titles are available to download onto a mobile device (for offline viewing) through the Hoopla app

Music

- Can be checked out for seven (7) days
- Are available to download onto a mobile device through the Hoopla app

eBooks, Audiobooks, and Comics/Graphic Novels

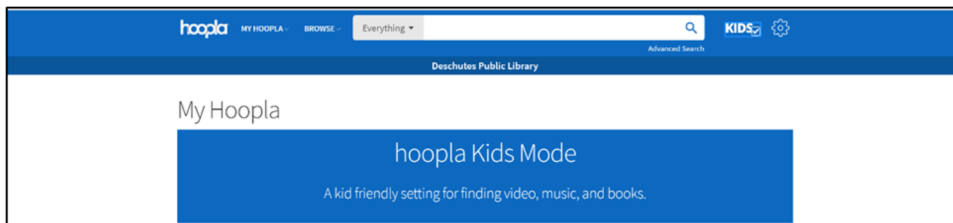

- Can be checked out for 21 days
- Are downloadable onto a mobile device through the Hoopla app

Menu Bar Options

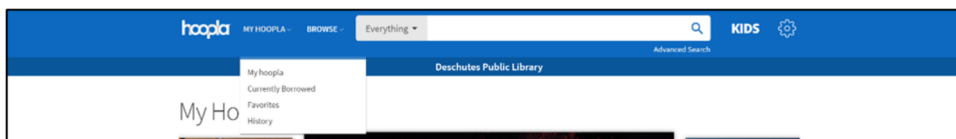

Use the menu bar at the top of the screen to browse and search for titles by item type:

Click “Kids” to turn on a kid-friendly version of the site:

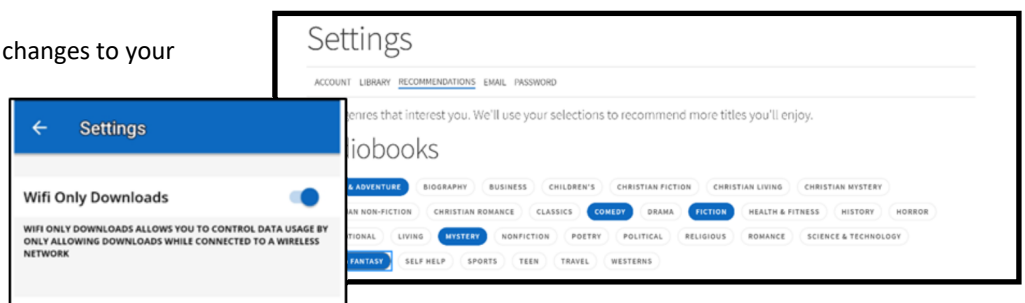

Click on “My Hoopla” to see your personal dashboard with your current checkouts, favorites (wish list items), and borrowing history:

Settings

Use the Settings cog wheel to make changes to your account. Use the recommendations features to help the system show you items you might like. Scroll down to see each type of item. On mobile devices, turn on “WiFi Only Downloads” to avoid using your cell data.

Getting Items

Click on an item’s cover image to learn more and borrow it.

- Click on the Heart icon to add an item to your favorites list so you can find it later.
- Click Borrow to check the item out.
