

## HOW TO:

### Get Started using Mango Languages on Your Phone or Tablet

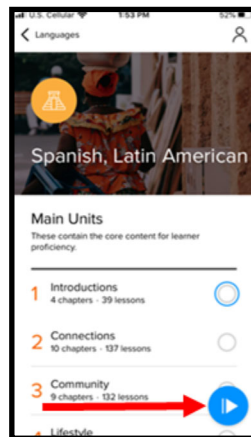

These instructions guide you through the steps needed to install the **Mango Languages** app on your phone or tablet. Mango Languages features more than 70 world languages and dialects, with courses crafted using conversational methodology. Every self-paced course includes cultural insights and grammatical nuances, delivered through native-speaker dialogue.

#### Create a Mango Languages account.

1. Visit the app store for your device and search for Mango Languages; install the app on your device.
2. When you open the app, you will be prompted to Sign Up or Log in. Click "Sign Up"
3. Walk through the steps to create your profile. Once you've created your profile you will be prompted to Subscribe. Your subscription is FREE with your library card. So grab your card number and click on "Find Mango."
4. Enter your ZIP code or city and state in the search box. Once you see your search results, click on Deschutes Public Library District.
5. When prompted, type in your library card number and click "Access Mango."
6. Your profile is now linked to Deschutes Public Library's subscription. Click on "Continue."

7. Each Unit has several Chapters, and each Chapter has several lessons. Click on the play button and start learning!

8. If you'd like to listen and learn while doing other things, there is an "Auto Play" mode. Auto play allows you to study hands-free and without looking at the screen. Hit the button in the top right corner and Mango will move through the slides automatically.
