Community Librarian **Roxanne M. Renteria** has been with the Deschutes Public Library since 2014, and serves the La Pine Library area. As the child of two librarians, she grew up in her local public library—sneakily taking candy from the reference desk drawer, and ensuring VHS tapes were rewound for the next customer. She wears many hats as a rural librarian, but her favorite duties are story time, outreach, and program planning. She spends her free time tackling new DIY projects.
