In 2003, Deschutes Public Library asked the simple question: “What would happen if everyone in Deschutes County read and discussed the same book?” Over the past 18 years we discovered that great things happen when Deschutes County residents read, learn, and explore a single book together.

2022

A Novel Idea ...READ TOGETHER

What is A Novel Idea...Read Together? Deschutes Public Library’s annual community-wide reading project. We work with a selection committee to pick a great book, engage the community with a month of programming that expands on the book’s themes, and wrap up the project with a visit from the author. And it’s all free!

When is Novel Idea? Programming starts in April with the final author event in early May.

Who can participate in A Novel Idea? Everyone! We have readers who have been around since the beginning of the project (thank you!) as well as new readers joining us (welcome!) every year.

What is the Novel Idea selection for 2022? We can’t tell you right now, but you can tune in to our virtual Unveiled event on Sunday, December 5, at 4:00 p.m. on our YouTube channel (<https://dpl.pub/youtube>). If you take a look at all the great books on the other side of this postcard, we can assure you that the 2022 selection *fits right in!*
