

Scoring

Written proposals and product demonstrations will be evaluated, scored, and cumulated by the RFID RFP Project Team according to the criteria set out in the following sections.

Scoring Written Proposals and Product Demonstrations

The RFID RFP Project Team will score written proposals to determine which proposers will proceed with product demonstration. The scores for the written proposals and the product demonstrations will be cumulated and used to inform the RFID RFP Project Team's recommendations to the Library Board resulting in negotiation and award. Scores in each service area will be determined by comparing proposer responses to the outcomes specified in the Scope of Services.

	Written Proposal	Product Demo	Total possible points
Implementation Cost	15	20	35
5 year Maintenance Costs	15	20	35
Collection Security	20	10	30
