

# Curious About Your Family Roots?

## Meet with a Genealogy Mentor and Watch a Family History Record Search for One of Your Ancestors!

We are so glad that you stopped in today! We are all genealogy enthusiasts, who enjoy learning about our family history, and we'd like to show you how easy it is. Give us a little information and one of our mentors will show you a genealogy web search. We hope you have some fun today and discover something new about your family!

### **MEET WITH A GENEALOGY MENTOR — TWO OPPORTUNITIES**

**Downtown Bend Library**  
**Monday, May 8 • 6–7:30 p.m.**

**East Bend Branch**  
**Saturday, May 20 • 12–1:30 p.m.**

1. These are walk-in events – the mentors will try to serve as many people as possible.
2. The amount of time the mentor will be able to search for you will likely only be 10 to 15 minutes, so please choose an ancestor that lived in the United States and wish us luck.
3. The most recent US Federal Census available to genealogists is the 1940 census. It is best if you ask the mentor to search for someone born before 1940.
4. Bring any genealogy questions with you!
